TRADE AND DEVELOPMENT BOARD

GENERALIZED SYSTEM OF PREFERENCES

Scheme of Austria

Amendment

The Secretary-General of UNCTAD has received the following communication from the Permanent Mission of Austria:

- With effect from 1 January 1990, Austria provided for substantial tariff reductions on products covered by its scheme. These reductions, which were implemented unilaterally, will be in force provisionally until 31 December 1992. The Austrian measure is meant as an advance contribution to the results of the Uruguay Round's multilateral tariff reduction exercise.
- As at 1 July 1990, the Mongolian People's Republic was included in the list of preference-receiving countries (Group I).
